The attached sheet of drawings include new Fig 13C. No new matter has been added.

REMARKS

At the outset, the Examiner is thanked for the thorough review and consideration of the pending application. Applicant notes that the Notice of Non-Compliant Amendment was not received at the offices of Applicant's representatives. The Notice of Non-Compliant Amendment dated July 30, 2007 was obtained from the PTO's PAIR service, has been received and its contents carefully reviewed.

Per the Examiner's request, Applicants add Fig. 13C which is a three dimensional drawing of the plank illustrated in Fig. 13B. In addition, Applicants add to the specification supporting descriptions for the new Figure. Further, per Examiner's request, Applicants have included the phrase "New Sheet" in the top margin of Fig. 13C. No new matter has been added in the drawing or in the new paragraphs in the specification.

Applicants believe the foregoing amendments place the application in condition for allowance and early, favorable action is respectfully solicited.

If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is requested to call the undersigned attorney at (202) 496-7500 to discuss the steps necessary for placing the application in condition for allowance. All correspondence should continue to be sent to the below-listed address.
